

RELEVANT PRACTICE IN WORK-BASED LEARNING (2)

COUNTRY

Italy

FOCUS

Learner

DESCRIPTION

“Enhancement of professional competences in multimedia communication”. The project is provided by different subjects: Des Ambrois school, the teachers of the subjects involved; Professional photographers (Laura Cantarella, Antonio La Grotta); Cultural association ArtInMovimento; A.I.A.C.E. (Italian Association Friends of arthouse cinemas); Con.I.S.A. (Intermunicipal Consortium for Social Care Services, Valley of Susa). Students from 4th and 5th year of Vocational school for audiovisual and multimedia productions; Photography and Design are the target group. They are involved in different activities:

1. A reportage on the sports event “Special Olympics” – Bardonecchia (Torino), March 2018 (partner b);
2. Production and realisation of an audiovisual product for the competition “Caio Rizzetto” on the following topic “The Dream Factory: what job to shape the future?” (partner c);
3. Production and realisation of an audiovisual product on the event “Sottodiciotto film Festival & Campus”, within the Torino Film Festival 2018 (partner d);
4. Production and realisation of a poster for the Convention “Slegàmi – I legami che restano”. Instruments and resources to support parents and their children in case of confrontational separation (March 9th, 2018).

Each of this activities is focused on one (or more) professional skill. All these activities were done by involving the students in small groups and using collaborative methodologies

WHY CAN IT BE CONSIDERED A GOOD PRACTICE?

The project allows to develop professional and relational skills: each aspect can enhance other.
